KNOWLEDGE

- Nice tie in to earlier lesson - regions of North Dakota
- You need to grab their attention - get them excited about what they will be learning.
- What does, "ful" mean? I don't think they understood this

Comments:

PERFORMANCE

- You had the room set up nicely - in on board, books & materials ready - be sure you know how many books you have, so you can have them share right away
- Model what you want from them
- Turn & talks are a great way to keep students engaged.

DISPOSITION

You work well with a large group & you & Marianne work nicely together. You have done a nice job learning names in a short time. You smile and are pleasant with the students - they respond well.

OVERALL COMMENTS:

Nice job - remember smaller pieces at a time. 😊
